

Fireflies

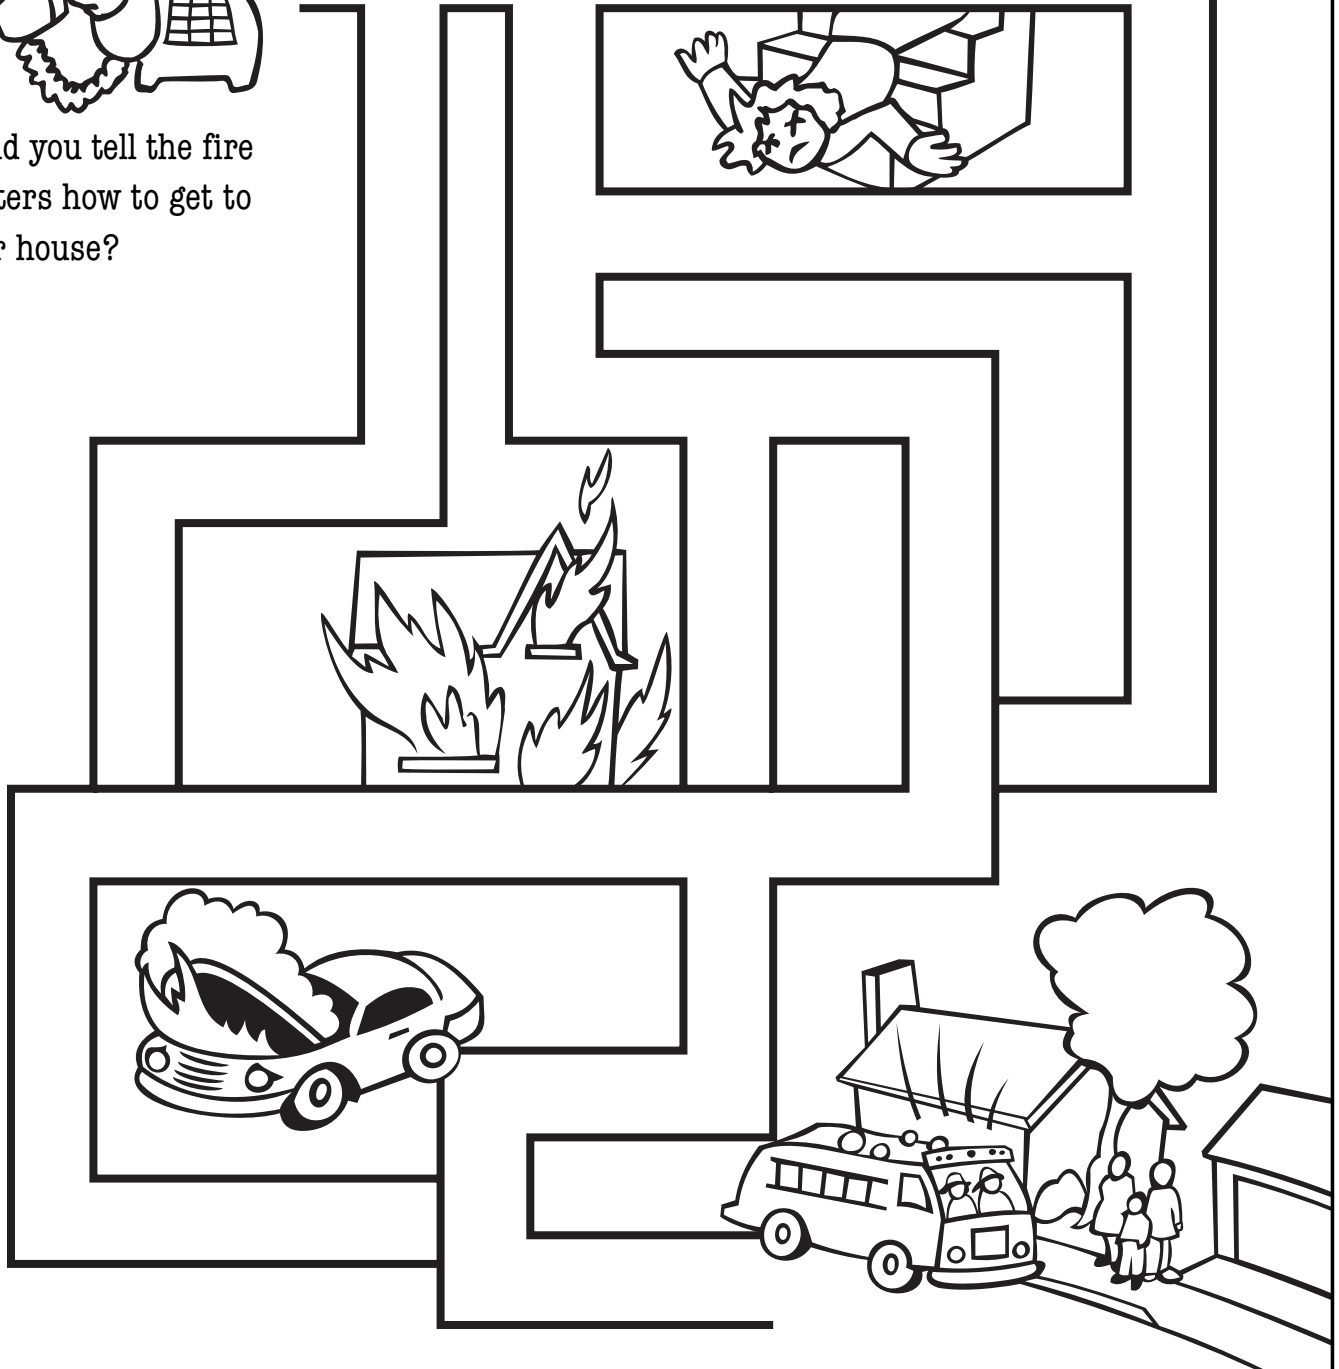

Emergency! 9•1•1

My address is _____

Fill in! Cut out! Tape on your phone!

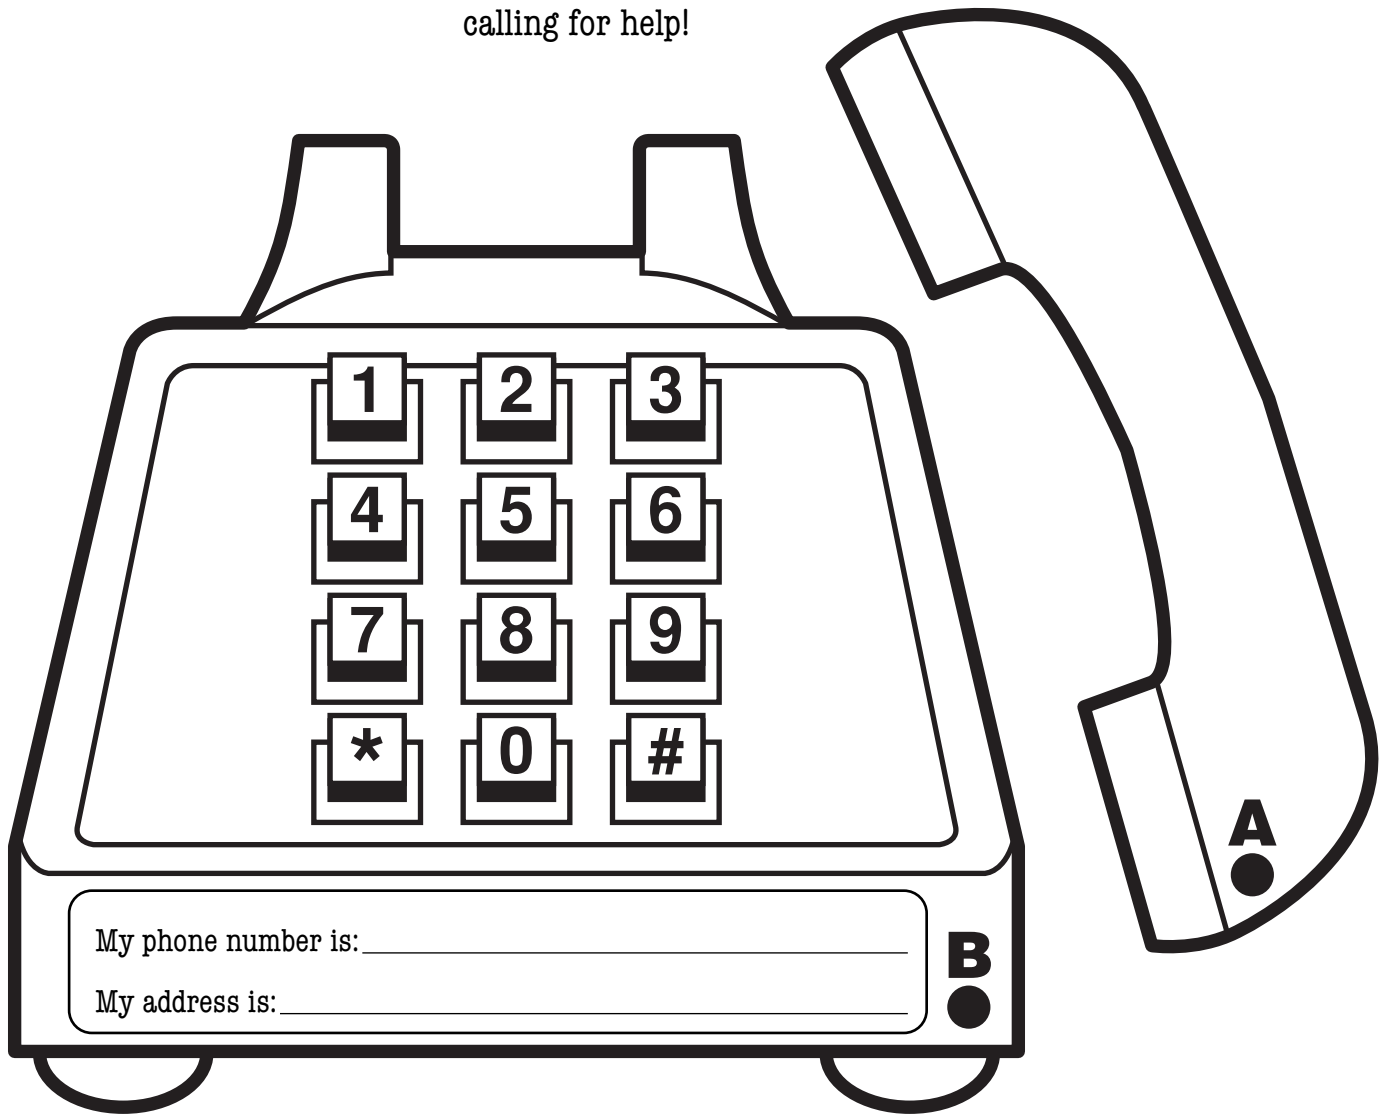

Could you tell the fire fighters how to get to your house?

911 For Help

Color the phone. With the help of a grown-up, write your address and phone number on the phone. Cut the phone out and attach a piece of string between A and B. Now practice calling for help!

Email **FIREFLIES** with any comments, suggestions, ideas or stories: fireflies@ci.seattle.wa.us

Did you know?

- ☞ 911 is always a free call, even from pay phones or cellular phones.
- ☞ children as young as three years old have called 911 for help.

FIREFLIES is a publication of the Seattle Fire Department. Your child receives four issues of FIREFLIES during the school year. FIREFLIES helps children learn how to be safe from fire and unintentional injuries. Help your child learn how to be safe by doing the activities in FIREFLIES with them, then review them often. Check out the resources below to extend the lessons

even further. And remember to be a good role model for safe behavior. Learning by example and by doing are two of the strongest ways we learn how to be safe.
